

## WINTER 2022

The 36<sup>th</sup> London Mini Marathon took place on Saturday 1<sup>st</sup> October 2022.

With the Event changing to Saturday the Events was somewhat challenging. Organisation of the Events was somewhat lacking to say the least.

Listed below are the Results of the Haringey Runners who were fantastic on the day.

Superb support from Parents who either supported the Team of Runners or who actually assisted in Team Managing.

Our regular Volunteers who numbered 14 in total was one of the largest amongst all the London Boroughs and Regions.

The new season begins with LYG Cross Country at Hampstead Heath on 19<sup>th</sup> November with details of all the Competitions during 2023 starting from January through to July.

**“Thanks must go to the Tottenham Grammar School Foundation for the Financial Support they have given Haringey Sports Development Trust over the last 26 years without which we as a Trust would never have ever achieved the results we have to date.**

**Put frankly where would the Borough in Sport be without their support?**

**The support extends to youngsters representing GB in a variety of Sports, Coach Education Programmes, Equipment for Schools and Holiday Provision to mention just a few areas.**

**We as always are looking for Sponsorship to carry on developing our programmes to ensure an increasing participation amongst Youngsters and Parents.”**
