HARINGEY PHYSICAL EDUCATION & SCHOOL SPORT CPD PROGRAMME 2016/17

This programme has been constructed by Jan Hickman (PE Adviser for Enfield) and Kim Henderson (PE Consultant and previously PE Advisor for Barnet) who have between them over 60 years of Physical Education advisory experience.

It is supported by the Enfield Physical Education Team, the Association for PE (afPE), the Youth Sport Trust (YST), Haringey School Games Organisers, Haringey Council and London Sport.

One of the primary aims of the PE and Sport funding is to upskill the profession as it is recognized that some teachers lack the knowledge, understanding and confidence to deliver outstanding PE lessons.

This CPD programme has been designed to deliver the very best PE training for Haringey schools. Top trainers in their field are booked to return to the borough to deliver the highest quality professional development.

The cost remains the same as 2015/16 at £1350. Please return the registration form titled 'Physical Education Professional Learning Opportunities' if your school would like to buy into this CPD package by the end of June 2016.
